Notes:

- To begin working with O'Go, locate the end of the yarn.
- Carefully cut plastic tie where ends of the O'Go meet.
- Pull to remove tie.

- Colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for O'Go (Contrast A to J). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag A to J.
- Each color is ready to use.
- Carry color not in use loosely across top of work and work sts around yarn not in use.
- Bag is worked in rounds which are joined, then turned. RS and WS will alternate.
